

4th Annual NSS Book Swap

Date: Wednesday, March 6, 2019

Time: 6:30 - 7:30pm

Location: North Stratfield APR

Bring one book, get one book!

**Send in gently used book students want to swap on
Monday 3/4, Tuesday 3/5 or Wednesday 3/6.
Books will be collected in the classrooms by volunteers.**

Tickets will not go home, they will be given out at check in at the Book Swap.

Start looking through your bookshelves for books you have out grown or already read!!

- All types of children's books from picture books to middle school/advanced chapter books will be accepted. We anticipate collecting more donations for younger children, so we would really appreciate donations of advanced chapter books from older siblings. Please no baby books.
- Please donate only "gently used" books with a subject matter and content appropriate for our North Stratfield Elementary school community.
- If your child contributes more books than he/she selects on the night of the swap, then those leftover books will be offered to North Stratfield teachers for use in the classrooms and then donated.

"The book swap is taking place during the month of March to celebrate Literacy Month and promote our One School, One Book initiative."

If you would like to volunteer, or have any questions about the book swap, please contact Susan Fekete thefeketes@yahoo.com or Lauren Brill Nlbrill@gmail.com.
